

Low Foam Cleansing Gel

This low foaming gel cleanser gently removes excess surface oil, make-up and impurities while assisting in maintaining the benefits of skin's natural moisture balance.

Low Foam Cleansing Gel washes off easily and leaves skin feeling refreshed and clean.

How To Use:

- After pre-cleansing, apply Low Foam Cleansing Gel to damp skin.
- Massage well with your fingertips until a smooth lather is formed and rinse with tepid water.
- Tone and follow with your recommended Environ Vitamin A moisturizer.
- Gentle enough to use morning and

Benefits:

- Gentle enough to be used as part of a daily cleansing routine.
- The gentle action and improved rinseability of this low foam cleanser assists in maintaining the effects of the natural waterproofing barrier of the skin as it contains gentle surfactants and conditioning agents that assist in moisturizing the skin while cleansing—giving it a soft and clean after-feel.
- This cleanser is Sodium Laureth Sulfate (SLES) free.
