

Antioxidant Defence Crème Plus

Product Description

Together with Vita-Peptide Intensive Serum 4 Plus, Vita-Antioxidant Defence Crème Plus is the fifth and final step in the Vitamin STEP-UP SYSTEM™. It contains the highest concentration of vitamin A, in the form of Retinyl Palmitate as well as vitamin C, antioxidants, peptides plus other scientifically researched ingredients. This advanced combination of ingredients targets the visible signs of aging, taking the look of youthfulness to the next level.

Product Benefits:

It is rich in antioxidants, including vitamin C, vitamin E and Rosemary Leaf Extract to assist in protecting the skin against the effects of UV radiation, which helps minimize the signs of photo-aging induced by UV rays.

How To Use:

Helps nourish and hydrate the appearance of the skin to create a healthy appearance.

Helps reduce the visible signs of aging by improving firmer appearance of the skin and preventing the effects of free radical damage, helping you to look younger for longer.

Pre-cleanse, cleanse and tone with your preferred Environ Skin Care products.

Apply Antioxidant Defence Crème over/in conjunction with your recommended Vita-Peptide C-Quence Serums 1-4.

Use morning and evening.

Appropriate for all skin types.

Sunburn Alert:

This product does not contain a sunscreen. Use a broad spectrum sunscreen, wear protective clothing and limit sun exposure while using this product.
